Subject: Risk Management Policy

The Cronulla Junior Australian Football Club Inc. has Risk Management Policies and Procedures in place to ensure we:

- provide a safe environment for our players, officials, parents, supporters and guests;
- minimise the potential for litigation; and
- avoid or, at least minimise insurance premium increases.

Some of the Risk Management procedures that we have adopted are:

- pre-season and pre-match ground inspections;
- other ground safety measures (for example, goal-post padding, minimum boundary line distance from fence, etc);
- prevention measures for infectious diseases;
- first aid management;
- child protection policy;
- accredited coaching staff.

All persons must take reasonable actions to avoid situations that could cause injury or harm to the health of players, parents, officials, spectators or members of the general public. If any hazard is identified, the President and/or Secretary are to be informed as soon as possible.

Yours faithfully
